Auburn Ridge Residential Fund II

Fund Overview & Strategy — First Quarter 2026

Auburn Ridge Capital • Closed-End Value-Add Residential Fund • Series II

Fund Strategy

Auburn Ridge Residential Fund II is the second vintage in Auburn Ridge Capital's residential series, targeting the acquisition and renovation of 1980s and 1990s vintage garden apartments in secondary Sun Belt markets. The strategy emphasises unit-interior renovation, operating-expense reduction, and mark-to-market of below-market rents.

Investment Pipeline

The near-term pipeline under evaluation includes a two-property portfolio in Raleigh-Durham and a single asset in Tucson. No capital had been drawn as of quarter-end.

Terms

The Fund holds a first close in the first quarter of 2026. No performance is reported for the period as the Fund is newly formed and unfunded.
