Calder Grove Industrial Partners

Fund Overview & Strategy — First Quarter 2026

Calder Grove Real Estate • Closed-End Value-Add Industrial Fund • Newly Formed

Fund Strategy

Calder Grove Industrial Partners is a value-add industrial fund targeting shallow-bay and last-mile distribution assets in inland port and intermodal markets. The strategy focuses on acquiring functionally obsolete assets at a discount to replacement cost, repositioning them, and marking below-market rents to market on rollover.

Investment Pipeline

The Fund is in its initial deployment period. The near-term pipeline under evaluation includes an Inland Empire infill portfolio, a Columbus intermodal package, and a single-tenant redevelopment in Savannah. No capital had been drawn as of quarter-end.

Terms

The Fund holds a first close in the first quarter of 2026. No performance is reported for the period as the Fund is newly formed and unfunded.
